Consultation with Families (K-5th)

Dear 1st, 2nd, etc grade parent,

CAIS is in the process of gaining approval from the San Francisco Department of Public Health (DPH) to reopen school for on-campus, in-person learning in grades K-8. In order to do so, the school must meet rigorous requirements from DPH, including an on site inspection, that are consistent with the Preliminary Guidance for TK-12 School Reopening.

Please reply to this email by Sunday evening, September 13 if you are in agreement that CAIS should reopen for on-campus, in-person learning in grades K-8 if the school can meet all DPH requirements. You should feel no obligation or pressure to do so, this is simply an opportunity to express your support of the school to DPH.

For an overview of school preparations, please visit the Reopening CAIS section of the school website. In addition to an overview of the school reopening plan, the site contains links to the Head of School Weekly Newsletter, parent information Zoom sessions, and public health documents.

Sincerely,
Grade Liaison
